Dear Mr. Jones:

This letter is in response to your request for additional information dated April 29, 2009. Your inquiry relates to The Freedom Project s (Committee) payments to the Jay Love for Congress Committee. The Committee did not make an excessive contribution to the Jay Love for Congress Committee for the general election. The contribution on October 29, 2008 was for primary debt retirement. The contribution designation was corrected on Schedule B, supporting line 23 in the 30-Day Post-General Report amendment filed today.

Sincerely,

Margee Clancy
